

SMALL TRIAL POSTPONED TO APRIL 3

JUDGE EDWARDS TELLS COUNSEL THERE WILL BE NO MORE DELAYS

Defense Had Asked for a Postponement of Sixty Days—State Charges Move to Politics—Governor Says His Time is Needed to Get Road Building Program Under Way

WAUKEGAN, Ill., March 6.—The case of Governor Len Small, charged with conspiracy and embezzlement of state funds had another day in court today and took another adjournment, this time until April 3, four weeks from today. The governor asked for sixty days delay, pleading his presence is needed at Springfield to get the state road building program for 1922 under way.

SECRETARY DAVIS HAS NOTHING TO SAY AT PRESENT

Unable to Get Mine Operators and Miners Together

WASHINGTON, March 6.—Secretary Davis declared today that he was "not prepared to make public the progress made" in the labor department negotiations with bituminous coal mine operators in the central competitive field instituted at President Harding's direction for the purpose of settling mine workers and mine owners into a conference before April 1, when a national union strike is threatened.

FINANCE MINISTERS WILL MEET IN PARIS

SENATE ASKS FOR INFORMATION ON PACIFIC TREATY

Another Request Sent to White House Yesterday

WASHINGTON, March 6.—Another senate request for information about the four power Pacific treaty was sent to the white house today coincident with the beginning of a series of addresses by administration senators expounding the treaty and urging its ratification.

Without a record vote and with the consent of the administration leaders the senate adopted after a short debate a resolution introduced by Senator Borah, Republican of Idaho, a leader of the "irreconcilables" asking President Harding to explain what will become of the Landing-Ishii agreement with Japan should the four power pact be given Senate approval.

Mr. Wilkerson made the reference to politics after Judge Edwards has refused a sixty day delay and suggested either March 20 or April 10 for the trial and C. C. LeForge, chief of the governor's lawyers had approved the latter date as the best of the two.

APPROPRIATIONS CENTRALIZED IN SENATE COMMITTEE

Change in Senate Rules Adopted Monday by Vote of 63 to 14

WASHINGTON, March 6.—Complete coordination of congress with the federal budget system was provided for by a change in senate rules adopted today by a vote of 63 to 14, centralizing all money appropriations powers in the senate appropriations committee.

The senate change follows the house centralization of money bills in the appropriations committee at the last session but instead of enlarging the senate appropriations committee as in the case of the house the new senate rules provides that three members of the other appropriating committees shall be ex-officio members of the senate appropriations committee.

Democratic Senators Harrison and Reed, Missouri, led the fight against the change. The latter said that instead of expedition, the change would cause congestion of bills before the appropriations committee.

Senator Underwood, Democratic leader, championing the change, pointed out that the 1920 Democratic platform declared for the appropriation centralization in a single committee.

After adoption of the new rules, Senator Harrison gave formal notice that he would make points of order as provided at every opportunity to enforce the new rule absolutely.

SECRETARY HUGHES ARRIVES FROM BERMUDA

BRIEFS

ROCKFORD, Ill., March 6.—Rock river has receded seven inches since Saturday and two feet and one inch since the ice went out a week ago.

STERLING, Ill., March 6.—A crowd of several thousand persons including hundreds of ex-service men greeted Hanford MacNider, national commander of the American Legion here today. He was entertained at dinner at the Elks club and delivered a short public address.

COLUMBUS, O., March 6.—Altho Ohio coal miners are sending strike ballots direct to the national headquarters of the United Mine Workers of America at Indianapolis, m-official reports received at state headquarters today indicated that the Ohio miners are voting over-whelmingly in favor of a suspension of work on April 1, unless the operators agree for a new wage scale before that date, when the present scale expires.

YOUNGSTOWN, O., March 6.—To his diverse executive duties as mayor, George L. Gless has added that of racing motor speeders, yesterday he caught two. He says he will make \$100 a day for the city during his spare time apprehending speeders. The mayor uses a new high powered automobile in his new work.

AMBOY, Ill., March 6.—William H. Sharkey, an employee of the Illinois Central Railway for 27 years, died at the home of his sister here, Sunday. He was a passenger conductor between Freeport and Centralia.

STERLING, Ill., March 6.—Altho ice gorges about this city and between Erie and Hillsdale, continued to hold today, there has been a drop of over a foot in the stage of the water here and of over half a foot at Hillsdale.

DIXON, Ill., March 6.—None of the radio stations in Dixon, including the Westinghouse plant at the Dixon Home Telephone Co. offices, has ever established a connection with KYW station, Chicago. According to the manager of the telephone company and other radio operators KYW station is effective for only about 50 miles, Pittsburg, Kansas City and Detroit are easily received here. There are very few farm houses in this vicinity equipped with wireless.

ROCKFORD, Ill., March 6.—Wireless telephone market reports were not being picked up here today, there apparently being no demand for them except thru the regular channel. Durand and a town miles northwest of Rockford will receive the reports and bulletin then. Heretofore Durand has received them by wireless at noon from Madison, Wis. There are few, if any farmers in Winnebago county, owning radio telephone instruments.

SPRINGFIELD, Ill., March 6.—All the drainage districts along the Illinois river joined in a complaint to the Illinois Commerce Commission today, asked that the Central Illinois Public Service company be required to reduce rates 60 per cent, to the pre-war level.

R. E. BOYD DIES IN CALIFORNIA

Former Resident Passes Away March 4—Services Will Be Held in Los Angeles Today.

Word was received here yesterday of the death of R. E. Boyd, a former resident of this city, at his home in Los Angeles, California. For many years Mr. Boyd was resident in this city. He was in the railway mail service and had a run on the old J. S. E. railroad and later on the C. P. & St. L. between the city and Chicago.

He retired from the service several years ago. Two years ago he removed to Los Angeles to make his home.

Funeral services will be held at the home in Los Angeles today.

JAIL SENTENCE BETTER THAN HIS OWN MEDICINE

OMAHA, Neb., March 6.—A jar of alleged moonshine reposed on the bench of Police Judge Wapnick today when Filadelfo Caridi, accused of making the liquor was arraigned.

"If you drink a glass of your own 'beech' I'll turn you free," the judge told him.

Caridi looked at the liquor, shook his head, and said: "No, I'll go to jail."

He was held under bond for a hearing by a higher court.

MOVE RAPIDLY IN MUSCLE SHOALS INVESTIGATION

Hope to Make Recommendation to Congress Soon

WASHINGTON, March 6.—Investigation by the house military committee of the various offers from private interests for purchase, lease, completion and operation of the government's power and nitrate plants at Muscle Shoals, Alabama, moved rapidly nearer a conclusion today and approached within two days of the end of open hearings on the subject committee members said tonight.

A conference by Chairman Kahn with Speaker Gillette resulting in the announcement that a resolution authorizing the committee members to visit Muscle Shoals and vicinity would be introduced in the house was one of the outstanding developments. Other events included the completion of testimony on the third and last of before the committee that submitted by F. E. Engstrom of Wilmington, N. C., who provides for a 50 year lease of the properties and their completion under supervision of an operating company to be created subject to government approval.

The committee also received informally copies of a new proposal submitted at the war department by Thomas Hampton, a general contractor of Washington, D. C. The offer followed closely the original offer of Mr. Engstrom, allowing for completion and operation of the shoals project including the manufacture of nitrates and fertilizer compounds, in the event the government decided to finance the development by reimbursing the operating company which would be created by Mr. Hampton.

J. E. Levering, a civil engineer of Los Angeles, attacked the offer before the committee those of Henry Ford, the Alabama Power Company and Mr. Engstrom which he declared failed to rise to the dignities of contracts, but more nearly resembled well worded handouts. He has been associated with Mr. Engstrom, Mr. Levering said, but "walked out" when the proposal was modified.

The committee recalled Thomas Martin, president of the Alabama Power Company who briefly explained that the power company had not participated in the propaganda campaign which he added was being conducted in the interests of one proposal the committee was investigating. Another witness heard today was Francis E. Forthingham, an investment banker of Boston. He said the bankers he represented were agreed that Muscle Shoals could be developed under the power company's offer to the maximum extent of public service and that its development under the Ford or Engstrom proposals would be uninteresting to them.

Chairman Kahn said he expected Secretary Mellon would testify before the committee and that Attorney General Daugherty also would appear to give his opinions on the legal complications existing between the war department and private companies who claim option rights on certain of the shoal units.

W. B. Mayo, chief of Mr. Ford's engineers is to present tomorrow the alterations which Mr. Ford has agreed to make in his contract proposal.

CONGRESSIONAL CANDIDATES QUIT

HARRISBURG, Ill., March 6.—At a caucus today, Claude R. Harrisburg, present representative and Roy Summers, both from this county formally withdrew from the contest for the Republican nomination for the legislature. This leaves just two candidates on the Republican ticket for representative, K. C. Donalds, Eldorado, and John P. Mathis, Vienna.

Charles E. Webber of Eldorado also withdrew for the candidate for the Republican nomination for the legislature.

But two candidates now remain in that race.

ILLINOIS ACTRESS MARRIED IN NEW YORK

New York, March 6.—Edwin D. Barker, Cincinnati automobile salesman, and Evelyn Gosnell, actress of Sparta, Ill., who became acquainted upon sailing from Bermuda last week on the Steamship Fort Hamilton, rushed straight from the gang plank to the municipal building today and were married.

DENY REPORT OF SETTLEMENT

New York, March 6.—Reports from Buenos Aires that the presidents of Peru and Chile had secretly agreed upon a settlement whereby Chile would retain the port of Africa and turn over the province of Tacna to Peru were denied as absurd today by Frederico Alfonso Paez, Peruvian ambassador.

UNLOOKED FOR SNAGS ARE MET IN BONUS BILL

Formal Presentation to House Will be Delayed

WASHINGTON, March 6.—The house ways and means committee Republicans encountered some apparently some unlooked for snags today in their further consideration of the compromise soldiers' bonus bill with a result that a formal presentation of the measure to the house will be delayed for several days. It was understood that an unsuccessful effort was made to confine the bonus largely to the adjusted service certificate option. The other differences were said to have been unimportant.

It seems that the proposition to require the Democrats on the committee to cast their votes on the bill without having full opportunity to consider it met with opposition from the majority side and it was indicated that when the measure was put in final form by the Republicans the minority would be given time to study its provisions before final committee action. The bill will be taken up again tomorrow by the Republicans it was said with the hope that it could be completed before night.

Changes made in the bill at the two sessions of the majority members today were said to have been largely of a technical character. Committee members declared that no important alterations have been made in the compromise plan eliminating the cash bonus except where the men were entitled to \$50 or less and substituting a bank loan certificate to the adjusted service certificate (the authorized national and state banks and trust companies organized under state laws to loan certificate holders up to 50 percent of the adjusted service credit).

Not Disturbed

Representative Longworth of Ohio told newspaper correspondents that the majority was not disturbed by criticisms of this section of the bill.

He thought the former service men would have no difficulty in realizing on the certificates saying that the amount of each loan would be small and that the small banks would be asked to advance only a comparatively small total.

The certificates would not be redeemable by federal banks he continued, but the banks making the original loan have the certificate redeems by other banks. He added that the section was so drawn that the certificates could not get out of the hands of the banks except thru transfer to the government.

OTHER ROADS JOIN I. C. IN FREIGHT CUTS

NEW ORLEANS, La., March 6.—The Chicago & Eastern Illinois, Chicago, Indianapolis and Louisville and the Mobile & Ohio railroads have joined the Illinois Central in general freight rate reductions on southern pine and cypress according to M. L. Coster, general manager of the Central freight agent. The reductions will become effective March 13. The reductions mark a victory for southern lumber interests in a fight started with them; when the interstate commission made a general reduction of hardwood lumber rates Jan. 1. The commission refused to make a similar reduction on southern soft lumber. An average reduction of 15 percent will be made under the new schedule, an average saving of \$48 a carload.

WANT PLEDGES FOR LAW ENFORCEMENT

BLOOMINGTON, Ill., March 6.—Election of men to the state legislature who will pledge themselves to strict enforcement of the prohibition laws of the state and nation, was advocated by speakers at the opening sessions of the Illinois convention of the Woman's Christian Temperance Union here today.

BETTER LATE THAN NEVER

TRENTON, N. J., March 6.—The New Jersey senate tonight ratified the Fishbein amendment to the federal constitution by the vote of 12 to 4.

ALLEGED CONFESSION IN TAYLOR MURDER IS MADE PUBLIC MONDAY

Covers Ten Pages and Was Written from Atlantic City, N. J., February 27—Name of a Man Prominent in Picture Industry Was Signed to the Confession, Police Assert

LOS ANGELES, Calif., March 6.—A brief part of the ten page handwritten confession of the murder of W. D. Taylor, film director, mailed to the Los Angeles police department from Atlantic City, N. J., Feb. 27, and received in this city March 4, was made public tonight by Captain of Detectives Adams. The part made public read:

"We South Americans always take care of our women. We are hot headed and see that swift justice is meted out to those that wrong us.

"I killed the d— and even this is a mild description of the man who, hiding behind a polished manner, won the regard for many women, only to cast them aside when tired of them for a new plaything."

The confession, according to the captain, was signed by the name of a man who occupied a prominent place in the motion picture industry and whose wife was a native of South America.

It was said the man had left Los Angeles about the time of the murder and that he had previously been considered by the police in connection with the crime.

This is the only part of the document which has been made public, Adams stated. Detectives were busy today checking statements contained in the "confession" from Atlantic City, and in another letter received by the police shortly after the slaying.

The previous letter, it was said, and the confession contained identical statements as to persons, time and places, and the former was considered from the viewpoint of its apparent contribution of the latter.

An examination by experts of the Atlantic City communication written upon hotel stationery, proved it was not written by Edward F. Sands, missing former butler-secretary to Taylor, it was stated.

Captain Adams said that when he announced the confession had been mailed at a Connecticut city he had in mind another communication received by the police.

LLOYD GEORGE MAY DECIDE TO REMAIN AS PRIME MINISTER

Political Situation Relieved of Considerable Strain

LONDON, March 6.—The impression is general tonight that the political situation has been relieved of considerable strain in the past 24 hours, authoritative indications that the prime minister has decided to continue in office.

Influenced by his Unionist colleagues, particularly with reference to the international position as it would be affected by a change in the premiership at this time, Lloyd George is said to be at least ready to hold his resignation in abeyance. It is understood that assurances of the support of those leaders were given last night at the Birkenhead dinner at which in addition to the prime minister and the Lord Chancellor there were present, Austen Chamberlain, Sir Arthur Balfour, Lord Curzon, Sir Robert Stevenson Horn and Sir Laming Worthington Evans.

Meanwhile Mr. Lloyd George was confined to his room all day suffering from bronchial catarrh. The conservative members of parliament are meeting privately tonight to discuss the entire position. While definite guarantees of the support of the rank and file of the Unionists were not given at the Birkenhead dinner it is understood that assurances have been received in the past few days that this backing will be considerable.

An unspoken agreement is said to have been reached at last night's gathering that instead of coalition breaking up, steps should be taken to coalesce into the talked of national party. Announcement of the policy decided upon is awaited in Sir Arthur Balfour's address to his constituents in London tomorrow.

SUIT FOR DIVORCE

A suit for divorce was filed in the office of Circuit Clerk Wana-maker Monday by Rumsey Evans against Edith Lyons. The plaintiff is represented by E. Etter. The marriage occurred in May, 1920, and cruelty is the charge made.

DEMOCRATS ARE WARNED AGAINST TREATY DEBATE

W. J. Bryan Says it Would be Unwise at Present Time

WASHINGTON, March 6.—It will be unwise for the Democrats to prolong the debate over the armament conference treaties in the senate, because everyday a debate will tend to divert attention from the economic issue in the coming congressional campaign while the Democrats will be placed in the position of opposing "any steps toward peace," W. J. Bryan declared in a statement tonight.

"To sooner these treaties are disposed of the better," he asserted. "Any reservation that any Democrat wants to propose could be proposed and acted upon but there should be no unnecessary delay. We denounced the Republicans for delaying action on the treaty of Versailles. Why should we bring condemnation upon ourselves by delaying action upon these treaties, especially when by doing so we divert attention from the economic question which must be paramount in the fall campaign."

Chance to Win in 1924.

Mr. Bryan declared that the Democratic party had a splendid prospect of gaining the next congress which would enable us to lay the foundations for a winning campaign in 1924. At might have been expected, he added the "weakest point in this administration is its economic policy."

The revenue bill enacted at the last session Mr. Bryan described as "bad" adding that "ought to be the leading issue in the west, because it was the issue against which the Republicans revolted against Republican leadership, when the bill was drawn."

The four power Pacific treaty he contended was "based upon 30 treaties negotiated by the last administration," and when the Democrats vote for this treaty, he added, "they are simply approving their own policy which the Republicans have adopted."

This is primarily an agricultural nation. The agricultural production is the essential basis of our personal well-being and financial prosperity. There is no occasion for alarm, therefore, if Congress gives special attention to the problems which confront the American farmer. You cannot help the farmer without helping the whole nation. You cannot hurt the farmer without ultimately hurting the whole nation.

The people have usually believed that the salaries of movie stars were not nearly as large as their press agents would have you believe. But when a court record showed that Mary Pickford's salary in two years was considerably more than a million dollars, the public began to admit that there must be something to the stories about the big figure payments by the producers.

Notwithstanding the popularity or the ability of any of the stars, does anything happen to know just why such salaries should be paid? The city council has looked with favor upon the application of the village of South Jacksonville for a supply of water. It is the intention to furnish the village with its water supply at rates only slightly in advance of those charged to residents of Jacksonville.

This action on the part of the council gives proof of the friendly relations that exist between Jacksonville and the village. This is just as it should be, for it is only an invisible line that separates the city and the village, and the interests of the two are in common.

The filter at the Jacksonville water plant must be enlarged. In fact, an additional filter must be installed because the increase in the consumption of water is coming along so rapidly that the demand cannot be met without this additional equipment. This filter will cost about \$13,000. It was necessary recently to install a new pump at a cost of several thousand dollars. Some other equipment is necessary before the plant is complete and large enough to supply water to meet

present increasing demands which can be expected for the immediate future. It is a cause for congratulation that the city is to be called upon for these expenditures. The spending of money in this way means better returns from the water department and affords proof of the quality of the water and the growth of the city.

TRADE BALANCES.
In 1918 we exported \$3,000,000,000 worth of American goods more than we imported; in 1919, \$4,000,000,000; in 1920, \$3,000,000,000; and in 1921, with trade getting back to normal, \$2,000,000,000. During the three years following the armistice our favorable trade balance aggregated about \$9,000,000,000. Yet a lot of alleged economic experts are telling us that if we do not fling wide the doors to our domestic market and let foreign goods pour in unrestricted, we can not hope to sell abroad. Our balance of trade was greater by \$2,000,000,000 in 1921 than our total imports in 1914.

Fortunately for us, the industrial demoralizations in Europe and Japan, and in other quarters of the globe, have prevented our competitors from taking that advantage of our unguarded markets which they otherwise would have done. But with a protective tariff law in force we can go on selling more than we buy. The reason is that Europe and Latin America need our products—some they cannot well do without. But if they should be wiped off the map, we could still manage to exist. Most of the goods taken from Europe and the Orient can be bought here, and those who choose to import because low wages abroad make cheaper goods, ought to be compelled to pay the duties on those imports in order that American living standards may be maintained.

TWO FIRE ALARMS
Fire, which badly damaged a one room house in the rear of the house at 1101 Cox street, George Majors, a colored man, eighty-two years of age, had a narrow escape. Mr. and Mrs. James Majors, live in the Cox street residence and were at church when the fire was discovered in the cabin home of the elder Majors.

The aged man was in bed when neighbors discovered the flames and went to his rescue. The fire started from a small stove in the cabin.

About 6:30 o'clock an alarm took the department to Johnson street where a pile of lumber owned by the Snyder Ice & Fuel Co., had caught fire.

CLUBS AND SOCIETY
Hostess to Monday Club
The Monday Conversation club met yesterday afternoon with Mrs. U. G. Woodmon as hostess at her home on West State street. The subject for the day's discussion was current events and each member told of some recent happening of the present day world which was of special interest. After the general discussion a dainty afternoon luncheon was served.

College Hill Club Met
Jane Addams, the social worker of international fame, was the subject of the paper given yesterday afternoon at the College Hill club at the meeting held with Mrs. J. R. Harker at Illinois Woman's College. The paper was given by Mrs. C. H. Hall and told of Miss Addams' wonderful work among the people of Chicago's west side. "Twenty Years at Hull House" written by Miss Addams herself, was one of the books from which Mrs. Hall took part of her discussion. Following the paper delicious refreshments were served in Mrs. Harker's apartments at the college.

Entertain at Afternoon Tea
A charming little informal afternoon tea was given yesterday by Mrs. Constance Horsbrough, Miss Olga Sapio and Miss Beatrice Horsbrough at their apartment on West Lafayette avenue. A few friends were invited in to take tea at four o'clock and the affair was a most delightful one in every respect.

New Faculty Members Entertain
The new members of Illinois Woman's College faculty entertained yesterday afternoon at tea in honor of the other members of the faculty. The affair was given in Phi Nu hall at four o'clock and during the afternoon an informal program was given which included a reading by Miss Lila B. Davis, a group of piano numbers by Miss Florence Kirby and a reading by Miss Nellie Boyd. The hall was made attractive by the use of bright spring flowers and delicious refreshments were served by the hostesses. Miss Elizabeth Cooper was the chairman of the committee in charge of the tea and she was assisted by the other new faculty members.

Mary Melton Division Met
The Mary Melton division of the foreign missionary society of Centenary church met last evening in the church parlors. Miss Gertrude Adkins was the leader and took as her subject a chapter from the study book, "The Abodier." The chapter dealt with the manner in which the affairs of the missionary society are conducted and told of the various departments which exist in the national organization. Following the program a pleasant social hour was spent and the hostesses served dainty refreshments. The hostesses were Mrs. E. L. Fletcher, Mrs. A. C. Metcalf, and Miss Alida Alexander. Miss Clara Ranson led the devotional service at the opening of the meeting.

Helen Rawlings Chapter Met Last Evening
The Helen Rawlings chapter of the World Wide Guild met last evening at the home of Miss Helen Shreve on South Main street. The program was in charge of Miss Maude Nesmith who led the discussion on "Other Unfinished Tasks," a chapter from the study book, "Playing Square with Tomorrow." A number of the other members took part in the discussion and the whole evening was very profitably and enjoyably spent. Miss Elizabeth Long, first vice president, had charge of the business session. After the meeting the girls made Mayo dressings and tonsil sponges. The next meeting will be held in the church parlors with Miss Ruth Dawdy in charge. A delightful social hour came at the close of the program and the hostess served dainty refreshments.

Entertain Club
The Entre Nous Club met last evening at the home of Mrs. Leon

Jaeger on Park street. The twelve members were present and a delightful evening was spent. The hostess served dainty refreshments in the course of the evening hours.

Opportunity Circle Of Grace Church Met.
A regular meeting of the Opportunity Circle of Grace Sunday school was held Monday night at the home of Mrs. R. A. Gates on West Lafayette avenue. There was a large attendance of both members and guests and an interesting session was held. Following the transaction of business matters came a brief program. The affair was known as a "white elephant" party and there were various interesting features, including charades. Mrs. H. C. Wolfman gave a vocal number which was greatly enjoyed, and Mrs. J. Edgar Martin added to the interest by furnishing some instrumental selections. Light refreshments were served during the evening.

Birthday Surprise For Mrs. Crum.
Mrs. M. M. Crum of 655 South Diamond street was given a very pleasant surprise yesterday, the event being in honor of the anniversary of her birth. A number of Mrs. Crum's friends went to her home with well filled baskets of good things to eat, and spent the day with her. At noon a dainty dinner was served which all very much enjoyed. Later several hours were spent in a very pleasant social way, and when the guest departed it was with the hope that they might help Mrs. Crum celebrate many more such anniversaries.

TOM MIX
—IN—
"TRAILIN'"
A Stirring Tale of Twisted Lives, from the Novel by Max Brand
The story involves a deep mystery affecting several lives, and is based on Max Brand's novel of the same name. Mix is first discovered in a drawing room with his wealthy father, and those who have never seen the Western star in a Tuxedo will be curious to see him in this picture. Later he goes to the West and is mistaken for an ordinary tenderfoot, but the folks out there soon discover their mistake. Mix shows them a few things about horsemanship and fighting.
There is plenty of gun-play, pretty horsemanship and snappy action in "Trailin'", to say nothing of a love romance in which the beautiful Eva Novak figures.
Mix here puts over another winner.

STATE INSTITUTION FACTS NARRATED
Col. Whipp Made Interesting Address Sunday Night at Congregational Forum.
Some very interesting facts about the twenty seven state institutions were presented Sunday night at the Congregational church forum, in the address by Colonel Whipp, a representative of the state department of public welfare.
According to a statement made by Col. Whipp, who is counted as just about the best posted man on institution affairs in Illinois, there are more than 28,000 inmates in these institutions the number having been increased quite materially with past years.
Col. Whipp lauded the work done at a number of the institutions in reclaiming citizens, and also described in detail the modern hospitals by contrast with the conditions which obtained in earlier years. Interesting facts in connection with the state prisons were also given. Col. Whipp used a storeopion as an aid to his very informing address.

STOMACH UPSET?
Get at the Real Cause—Take Dr. Edwards' Olive Tablets
That's what thousands of stomach sufferers are doing now. Instead of taking laxatives, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.
Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.
Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.
Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramping or pain.
Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

BE SURE
of perfect results on bake-day. Don't spend your time in preparing bakings that contain expensive ingredients and be disappointed when you take them out of the oven. Use **CALUMET BAKING POWDER** not because it's the biggest selling brand on earth, but because it is absolutely the most dependable and economical of all leaveners.
When you employ Calumet Baking Powder you know that your bakings will raise properly because it contains more than the ordinary leavening strength.
Don't waste energy and money on uncertain baking powder—use Calumet, the "pure and sure" brand.
A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

Take Yeast Vitamon Tablets To Get Job-Winning "Pep"

Easy and Economical—Results Quick.

Thin, run-down folks who find that business is bad and employment is scarce should try taking two of Mastin's tiny yeast VITAMON Tablets with their meals for a short time and watch how their physical and financial conditions improve.

Mastin's VITAMON Tablets supply in highly concentrated form true yeast-vitamins combined with the other health-giving vitamins which science says you must have to be strong, well and fully developed. If you are weak, thin, pale, generally run-down, or feel lacking in brain power and ambition, and want that "kick" which gets the money, you surely need some of these precious vitamins in your system at once. Mastin's VITAMON mixes with your food helps it to digest and supplies just what your body needs to feed and nourish the shrunken tissues, the worn-out nerves, the thin blood and the starved brain. Pimples, boils and skin eruptions seem to vanish like magic under this healthful influence. Mastin's VITAMON Tablets will not cause gas and they help to correct constipation. They are easy and economical to take. Be sure to remember the name—Mastin's VITAMON. You can get Mastin's VITAMON Tablets at all good druggists.

STUART HAS LOTS
OF MONEY DUE HIM

SAN JOSE, Calif., March 6.—Henry B. Stuart has a valid claim of all the money there is in the world, and more, but he never will collect it. Judge Welch in superior court today entered a formal decree making record of the judgment he granted Stuart against George Jones last week for \$304,840,332,912,685.16.

The sum represents \$100, the principal of a promissory note executed by Jones in 1897 with interest at 10 per cent compounded monthly.

The court also allowed Stuart 7 per cent on the sum named until Jones pays it. Jones admits he would be willing to settle the judgment for one year's interest.

ATTENDED WATERWAY
NATIONAL MEET

Illinois Committee Represented at Capital Saturday—State Interested in Various Phases of Problem.

The Illinois delegation of the 17th annual rivers and harbors congress in Washington the past week attended a number of sessions of the congress and heard various matters discussed relating in an important way to lakes to the gulf navigation.

W. L. Fay, who is a member of the Illinois committee, was accompanied to Washington by his daughter-in-law, Mrs. W. A. Fay and returned Sunday night. F. O. Hansen of Bloomington was chairman of the Illinois committee, which also included Senator A. S. Cuthers, Bunker Hill; R. L. Smith, Pekin; C. M. C. Buntain, Kankakee; Senator Herlihy, Senator and Mrs. William Brinkham, N. R. Herlihy, and Mr. and Mrs. G. H. Morlin, all of Chicago.

In addition to attending sessions of the rivers and harbors congress the Illinois delegation presented to a committee of congress several matters relative to navigation of the Illinois river. The subjects presented were outlined at a conference of the committee held in Chicago two weeks ago. An engineer of long experience has been employed by the committee, and acting upon his advice the committee's method of procedure was determined.

Mr. and Mrs. Fay with other Illinois delegates had the pleasure of presentation to President Harding and were extended various courtesies by the Illinois senators and a number of congressmen from this state.

REAL AMBASSADOR
WANTED IN ENGLAND

CHICAGO, March 6.—Pledging renewed support to a free Ireland, the United Irish societies of Chicago today observed the 144th anniversary of the birth of Robert Emmett, the Irish patriot. Resolutions were adopted urging organized opposition to profiteering, high taxation, multiplicity of petty officials, pro-foreignism and to re-establish pro-Americanism.

The resolutions also urged that "a real ambassador be sent to England," that a soldiers' bonus be passed by congress and that it be paid, "by increased inheritance taxes on swollen fortunes and increased surtaxes on large incomes and that this process shall be continued, if necessary until every American millionaire shall disappear."

A Day of Specialists

An Optometrist is a specialist—This is the age of specialists. It is reasonable to presume that such delicate work as eye examination and eyeglass fitting is done best by a specialist. My work is confined to Optometry and my workshop engaged in only lens grinding and handling. My salesroom contains articles to meet every need of wearers of glasses. If you have never seen this shop—if you have eye trouble of any form, reflect an instant upon the value of specialization.

SMALL TRIAL
POSTPONED TO APRIL 3

(Continued from Page One.)
The serious assistance of the governor.

Argument Is Acrimonious.
The argument between the attorneys grew acrimonious when the governor's counsel referred to the months delay secured by the State on February 3 to permit it to subpoena its more than 280 witnesses.

Mr. Mortimer replied that the witnesses have now been subpoenaed and pointed out that some were even in court.

Another tilt occurred when the Sangamon county prosecutor called for the records of the Grant Park bank and the First Trust & Savings bank of Kankakee, the latter being Governor Snell's bank of which he is president, while the former is owned by Vernon Curtis, a fellow defendant. It was thru another Curtis bank at Grant Park that the state alleges ten million dollars of state funds were loaned to Chicago packers and a large part of the interest money retained by the defendants.

Mr. LeForsge told the court the officers of the two banks were in court, but that the books had not been brought to Waukegan at this time because the language of the state's subpoenas duces tecum was so broad as to require the presence of all the records of the institution, which thus unnecessarily handicapped them in their daily business.

Following a heated wrangle it was finally agreed that the state should have access of the books at Kankakee and Grant Park, and that they need not be brought here until needed.

Vernon Curtis who was confined to his home by quarantine when the governor was arraigned last month was present in court today and entered his plea of not guilty. The state asked that his case be set for trial immediately after that of the governor.

Setting of the governor's trial for April 3 definitely reassures the north of the evidence or arguments will be public in time to play a part in the political battles preceding the coming primaries. Lawyers are figuring on at least four weeks to pick a jury, so it is doubtful whether more than three or four talesmen will have been selected by primary day.

NEGRO HANGS BY
PAJAMAS IN FIRE

PEORIA, Ill., March 6.—When James Hawkins, negro, roused from his sleep, jumped from his burning room, his pajamas caught on a nail on the window coping and left him dangling 30 feet above ground with flames seething around him. Firemen rushed a ladder to the shrieking man and saved him. He was overcome with smoke and excitement but was quickly revived.

OLDEST CHICAGO
RESIDENT DEAD

CHICAGO, March 6.—Mrs. Mary Pashjian, 102, believed by her family to have been Chicago's oldest resident, died today. She was born in Armenia.

Surviving her are nine children, 29 grand children, 33 great grand children and one great-grand-grand child.

WOMAN BANDIT
GIVEN 25 YEARS

COUNCIL BLUFFS, Ia., March 6.—Mrs. Eva King, widow of an alleged bandit killed several months ago in a pistol fight in which Officer Murray was also slain and who was convicted of second degree murder was this afternoon sentenced to serve 25 years at Rockwell City, state reformatory by Judge Wheeler. The court overruled a motion for a new trial.

The ministers declared appreciation of Landis' services and regret at his resignation.

WAS A BROKEN-
DOWN WOMAN

Then I Began Taking Lydia E. Pinkham's Medicine

Donaldsonville, La.—"I write with pleasure to praise your medicine—Lydia E. Pinkham's Vegetable Compound—which has done so much to restore my health. I was a broken-down woman until my husband brought me a bottle of your Vegetable Compound and one of Lydia E. Pinkham's Blood Medicine. I had been having pains every month and at intervals between, was weak and seemed to be smothering at times, but in a week I felt like another woman. I also used Lydia E. Pinkham's Sanative Wash. It did me a lot of good too. I cannot praise your medicines too much and will be more than glad to recommend them to any woman who is suffering from female troubles. You may print my testimonial as it is true."—Mrs. T. A. Landry, 612 Miss. St., Donaldsonville, La.

Note Mrs. Landry's words—"as it is true." Every letter recommending Lydia E. Pinkham's Vegetable Compound is genuine. It is a statement telling the merits of these medicines just as the women in your own neighborhood tell each other.

AGED WOMAN DIES
NEAR MEREDOSIA

Death of Mrs. Sedonia Wilday Came Sunday Afternoon After Long Illness—Funeral Tomorrow Morning.

Meredosia, March 6.—The death of Mrs. Sedonia Wilday came at about 2:30 o'clock Sunday afternoon at the family home, four miles east of Meredosia. The deceased had been in ill health for a long period but her final illness extended over but a few weeks. She was seventy-four years and sixteen days of age at the time of her death.

Mrs. Wilday is survived by three children, Mrs. Edgar Burrus, Mrs. Edward Pond and a day Wilday, all residing near Meredosia. The son has made his home with his mother all his life and has given her loving care. There are also eight grandchildren surviving.

The deceased was an aunt of Walter, Edward and Ira Houston, of Jacksonville. She was born in Cass county and spent all her life in that and Morgan counties. Her husband, Alexander Wilday, met death in a collision at Arenzville several years since.

Funeral services will be held Wednesday morning at 10 o'clock in charge of Rev. Mr.

Hilburn, pastor of the Methodist churches at Concord and Arenzville. Interment will be in the Newman cemetery.

RADIO FANS HAVE
WIDE VARIETY.

Jacksonville radio fans now have choice of most any kind of amusement. All they have to do is to tune their radio up to required pitch and without "listening in" as is required on party lines of the telephone, they may read the grain and stock market or listen to oratory, drama or grand opera.

Three producing concerns of the east have sent out programs for this week. The Westinghouse Studio of Chicago, Kdk at Pittsburgh and a station at Newark, N. J., have announced their weeks activities.

Demand for radio instruments are increasing so rapidly that factories are pressed to fill their orders and doubtless more radio receivers will be soon installed in the city. The sending of market news was begun this week and this feature bids to become popular as well as great aid to those interested.

If you have a radio and tune up on schedule, as follows, you can tell what today's market is doing.

2:15 p. m. News and market reports.
4:15 p. m. News, market and stock reports.
6:00 p. m. News, final market and financial report.
7:30 p. m. Children's bedtime story.
8 to 9 p. m. Musical program.
9:00 p. m. News and sports.

PIRES TRIAL BEGINS IN CIRCUIT COURT

Judge Jones Here to Preside During Murder Case—Four Jurors Selected Monday Afternoon—Defendant Has Three Attorneys

The trial of Ellsworth Pires for the murder of James Gaddis was begun in the Morgan county circuit court Monday afternoon, with Judge Norman J. Jones presiding. Thirty six veniremen were examined but when court adjourned at 5 o'clock only four had been accepted. These jurors are C. E. Rouland, Centerville; W. E. Wentz, Meredosie; V. D. Wilson, Jacksonville; F. H. Curtis, Waverly.

State's Attorney Robinson is handling the prosecution. The defendant has as attorneys William N. Hairgrove and his brother, Elmer Hairgrove, of Kansas City, and J. G. Friedmeyer of Springfield. The line of questioning by the attorneys for Pires has thus far given no indication of the defense that will be set up. The questions asked thus far have only been the customary ones with reference to previous knowledge of the case or of any prejudice toward the defendant or special relationship with the prosecution.

On the part of the state's attorney most of the questions have been along the usual lines, with indications that the attorney was satisfying himself that the jurors accepted had no objection to the infliction of capital punishment in the event of clear proof of guilt.

It will be remembered that Pires is charged with the murder of his step-father, James Gaddis, on the Gaddis farm near Concord. According to the stories told at the time, and a statement subsequently signed by Pires, the shooting took place after the accused had made an application to his step-father for some money and had been refused.

In the confession Pires declared that after his step-father had refused to let him have the money for which he asked, that he went to the house nearby, secured a shot gun and went back to the field and shot him. It is entirely likely that this confession will be repudiated and that the attorneys for the defense will make every effort to prevent the document introduced as competent evidence.

Seventy-five veniremen were summoned for this trial and as about half of them have been examined and but four jurors secured, it is quite likely that additional men must be summoned.

Former Resident of Manchester WEDS

Mrs. J. G. Drennan is Bride of J. W. Smith of Roodhouse—Other Manchester News Notes.

Manchester, March 6.—The marriage of J. W. Smith and Mrs. J. G. Drennan, both of Roodhouse, took place at 4 o'clock Sunday afternoon at White Hall. The ceremony was performed by Rev. L. E. Ellison of White Hall at the home of William Short.

The witnesses to the ceremony were, Neal Drennan, son of Mrs. Smith, her sister, Mrs. Ethel Rousey, and Miss Mina Green-Wall.

Mrs. Smith was born and reared in this community. She graduated from the Manchester high school and was for several years a teacher in the Morgan county public schools. For the past several years she has been sales-manager of the California Perfume Co. Her many friends here unite in wishing her much happiness.

Mr. Smith is a machinist in the employ of the C. & A. railroad company and is well and favorably known in his home community. Following the wedding the bride and groom left for St. Louis. They will be at home after April 1 in a home recently purchased by the groom at the corner of Morse and Rowe streets in Roodhouse.

News Notes.

PLAY CENTURIES OLD PRESENTED HERE

"The Beggar's Opera" at the Grand Opera House—Tuneful and Sprightly Sati.

"The Beggar's Opera" was presented at the Grand Opera last night by a competent company. The audience present thoroughly enjoyed this presentation of the English classic, written by John Gay away back in 1728. The presenting company has recently closed a successful engagement at the Olympic theater in Chicago, and the management of the opera house here rightly felt fortunate in being able to book the company for one night. Most of the cities included in the itinerary are larger than Jacksonville.

"The Beggar's Opera" is rightly referred to as "that gay old musical play." It is a satire on the politics and criminal status of that earlier day. Hangings were of common occurrence as punishment for trivial offenses, and graft became a matter of everyday practice. It is recorded that in those times corruption existed in courts all the way from the jailer to the judge. It was as a satire upon these conditions that "The Beggar's Opera" was produced.

Its presentation shortly after the time it was written caused a sensation. The author fixed upon the popular music of the day and with parodies added immensely to the interest of his production. From time to time in the later years came revivals of "The Beggar's Opera" and the present company is now upon its second American tour.

The success of the London presentation, where the play ran for two consecutive years has not been equalled in the United States. Nevertheless, the tuneful and picturesque play has met with a very cordial reception.

The presenting company is in every way well balanced and "The Beggar's Opera" rightly ranks as one of the artistic stage presentations of the year.

DINWIDDIE HOME DESTROYED BY FIRE

Well Known Residence Near Litterberry Burned Monday Morning—Was Built in 1855.

Fire destroyed the fine farm house of Mr. and Mrs. Samuel Dinwiddie located about four miles east of Litterberry Monday morning at about 6:30. The first to notice the fire was Frank Dinwiddie a son who lives with his parents. Smoke was pouring from the roof of the house and in a short time the blaze was spreading over the entire roof.

The entire neighborhood was soon out in force but all attempts to stop the fire proved unavailing. Considerable of the furniture was removed but the house was soon destroyed. The dwelling was an eight room structure and was built in 1855 but only recently it was made a modern dwelling. It had been the home of Mr. and Mrs. Dinwiddie for the past fifty-three years. All their family was born and reared there and the Dinwiddie home has been known for half a century as one of the historical places of the Litterberry neighborhood.

The origin of the fire is not known but very likely was caused from a defective flue or sparks dropping on the roof. Its value was partially covered with insurance.

DOKAYS WILL PLAY
SPRINGFIELD TEAM

Manager Siegfried of the Dokays made final arrangements this morning with the fast Myers Bros. basketball team of Springfield, Ill., for a game here at David Prince gym, Friday night, March 10th.

This promises to be the fastest game played here this season as the Myers Bros. team of Springfield won the District Independent Championship Tournament several weeks ago.

The Dokays are not worrying about this and think they can win from the Sangamon County five, which they do will class the Dokays as Central Illinois Independent Champions.

The Dokays will work out hard this week in preparation for Friday night's game, playing several practice games this week. Covey, who has been on the sick list, is improving and is expected to be in the lineup for Friday night.

The following Springfield ex-high school stars will appear in the lineup for Myers Bros. Schneider, English and Grehan, forwards; Eickson, center; Livingston, Berg and Henke, guards.

White Rock Gasoline and Oil Station maintains office and truck service at the Bulk Head plant on East Morton avenue. Oils and gas delivered anywhere on short notice. Phone 1830.

DOKAYS ANSWER

I. C. MOGULS

Editor Jacksonville Journal: In your issue of March 3rd, I notice that the I. C. Moguls issued a challenge to the Dokays for a game of basketball for one of the following dates, March 6, 7, 8 or 9th.

I further notice that Capt. Mellon and Mr. Jones of the I. C. Moguls, did not expect a newspaper reply but inasmuch as they issued their challenge through the newspaper, I am taking the same course so that the public at large might know of my answer.

I have scheduled a game here with the fast Myers Bros. team of Springfield for Friday night of this week and as some of the Dokays line-up have been on the sick list, it will be necessary that the Dokays groom up for the Springfield game on the dates offered by the Moguls.

However, if the I. C. Moguls are willing to play a game with the Dokays a week later than offered, I will be glad to accept their challenge and suggest that they can see me in person at the county clerk's office.

C. P. Siegfried, Mgr. D. O. K. K. basketball team.

VISITORS RETURN TO HOMES.

Mr. and Mrs. Harry Kazer, of Atlantic City, N. J., left for their home yesterday after spending several days in the city as the guests of Mr. and Mrs. James Cridland on South Church street. Louis Kazer, of Trenton, N. J., has also been a guest at the Cridland home. Mr. Kazer is the superintendent of schools at Trenton and has been attending the National Education association convention in Chicago.

The Gulbransen
Inspires Better
Singing
of Better Music

Young folks' voices develop quickly with a little study and practice. Singing opens an easy road to the appreciation of good music—far easier and more enjoyable than any instrumental study.

Who shall play for them to sing? You answer that question the moment you get a GULBRANSEN Player Piano. Anyone can learn to play it well. And what music? Hundreds of good songs are ready in player-rolls; words on the roll; no sheet music to buy.

Your first week with a Gulbransen, you can learn to play acceptably the kind of music you would stand over after five years of hand practicing. You can prove this in ten minutes at any Gulbransen dealer's store. Please do it. Find out what the Gulbransen will do for you and yours.

CHAMBER OF
COMMERCE NOTES

This week will be a busy one for the Chamber of Commerce as there are quite a number of meetings scheduled to take place. The first meeting was held last night and was a general meeting of Boy Scouts and Scout Masters together with officers of the C. of C. in which plans were completed for the industrial survey to be made this week by the Scouts.

Tuesday afternoon at 2 o'clock the tourists reception committee will meet. This committee is composed of M. A. Hulet, E. A. Brennan, T. M. Tomlinson, Charles M. Strawn and J. G. Berger. Tuesday evening at 7:30 the special traffic committee, composed of Charles Feidler, T. W. Chadles, E. H. Gray, James S. McKee, Ben Cohen, Simon Fernandes and Charles Bower will meet to further plans for the formation of a traffic bureau in Jacksonville.

Wednesday afternoon at 4 o'clock the Chamber of Commerce housing committee will meet. This committee, which includes J. W. Walton, E. E. Crabtree, Harrison King and J. S. Hackett, will meet with a committee of the directors of the Jacksonville Building and Loan association to consider further the increase in stock of the local savings association.

The directors of the Chamber of Commerce will meet Thursday evening in regular session at which time a committee from the Farm Bureau will present to the directors a plan for enlarging the scope of the Morgan county fair to be held here next fall.

There will also be a meeting of the committee on committees during the week to select a chairman and members of a committee authorized by the board of directors, to stage a campaign, known as "Talk Jacksonville Week."

At another meeting members of the Automobile Dealers association will consult with Chamber of Commerce men in regard to a series of entertainments to be given during the coming March Mobile Dealers' and Merchants' Exposition.

JACKSONVILLE
OWES ME NOTHINGSTATE TEACHERS TO
MEET MARCH 10 AND 11

Mention has already been made of the annual meeting of the South Central Division of the State Teachers' Association which will be held in Springfield March 10 and 11. Many prominent speakers will be on the program, the list including H. A. Brown, Oshkosh Normal school, Wisconsin; W. F. Monroe, School of Education, University of Illinois; Hon. Quinn O'Brien, Chicago; May Hill, Ethical Cultural school, New York City; Richard Parks, County Supt. of Schools, Sullivan, Ind.; Francis B. Blair, State Superintendent, Springfield.

Pupils of the eighth grade of the Jacksonville schools will give a demonstration of work in mathematics under direction of Miss Withee.

LOCALS WILL PLAY
IN DECATUR TOURNNEY

If They Are Going Good Should Win Out—Peoria Has Largest Number of Entries.

DEKALB, Ill., March 6.—Winners of the district play in the Illinois high school basketball championship tournaments at 29 cities throughout the state were announced today by C. E. Whitten, manager of the competition. Leaders in the district elimination series will meet in four sectional tournaments on March 10 and 11 to clash for the right to enter the state finals, to be held at Urbana on March 17 and 18.

The 29 district winners represent the pick of the basketball material of the state, each having established leadership in three days of hard-fought play. More than 450 schools were entered in the district meets.

The participants in the sectional struggles are as follows:
To play at Aurora:—Freeport, Elgin, New Trier, Earlville, Joliet, La Salle.

To play at Decatur:—Bloomington, Athens, Villa Grove, Atwood, Jacksonville, Kansas, Morrisville.

At Mount Vernon:—Centralia, Collinsville, Olney, Bridgeport, Greenville, Marion, Frankfort.

To play at Peoria:—Watseka, Forrest, Peoria High; Moline; Galesburg, Canton, Kinderhook, Macomb Teachers.

TOTAL RECEIPTS
OF TOURNAMENT

Were Smaller Than Last Year—Citizens Co-operated in Fine Style With Management.

It was announced from the high school principal's office yesterday that the total receipts for the district basketball tournament held here last week were \$1,905. This amount is about \$45 less than that taken in last year. However the amount taken in will be enough to pay the expenses of the visiting teams which includes railroad fare, \$1.00 per night per man for lodging and 50c per meal per man, during the time the men were in Jacksonville.

The local management only receives 20 percent of the total receipts this year as against 40 percent received last year. Owing to this fact the amount which the Jacksonville high school realizes will not be as great by \$200, as that realized last year. The local management has to pay the expenses of the referees, printing of cards, tickets and general expenses of the tournament out of the 20 percent received.

The high school management wishes to extend a word of appreciation to the people of Jacksonville for co-operating so well in taking care of the visitors. A large number of people offered to open their homes to visitors and two or three times as many visitors could have been accommodated.

"Cousin Kate" is the name of the film to be shown at the high school tonight as one of the series of pictures being given every week. In this picture Allee Joyce appears as Cousin Kate in the screen version of the play, which was played by Ethel Barrymore, in the famous Charles Frohman stage production.

A very lively pep meeting was held at the high school Monday morning in celebration of the winning of the district tournament. Members of the championship team were on the platform and all were called upon to make speeches. Coach Mitchell and Principal Shaffer also talked and there was much enthusiastic yelling and cheering. The trip which the team will make to the sectional tournament at Decatur this week was discussed and a large number of Jacksonville boosters are planning to go along.

Regular meeting of Jacksonville ELKS ATTENTION
sonille Lodge B. P. O. E. No. 682 will be held Wednesday evening, March 8 at 8 o'clock. This is one of the most important meetings of the year as officers will be elected for the ensuing year.

This date has also been set aside as Griggsville night. A large class will be initiated and much important business will be transacted. Plenty of entertainment for all. A large attendance is desired. Paul D. Moriarty, E. R. E. P. Alexander, Secy.

Miss Bernice Wood became a patient at Passavant hospital Sunday.

MAN HAS MIRACULOUS
ESCAPE

"I was told by our family physician that I could not live without an operation, as my liver and gall sack were in such a condition. I set the day to go to the hospital, but then I saw the advertisement of Mayr's Wonderful Remedy. Since taking it I am feeling like a two-year-old. I am sure I never could have survived an operation." It is a simple harmless reparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists.—Adv.

JOHN J. GRAY

"The best investment I ever made in my life was when I bought Tanlac. I have not only recovered my health but I have also gained twenty-five pounds in weight and feel just brimful of new life and energy," said John J. Gray, 1330 Hollywood St., Philadelphia, Pa., a popular salesman at George's Clothing Store.

"When I began taking Tanlac I had been falling in health for some time as a result of stomach trouble and indigestion. I missed many meals rather than to suffer the discomfort I knew was to follow if I ate anything at all. I suffered especially from shortness of breath and palpitation of the heart. Frequent dizzy spells and headaches added to my discomfort and I was so nervous I got little rest either day or night.

"Since Tanlac toned up my stomach I am like a new man in every way and eat, sleep, work and feel better than in years." Tanlac is sold in Jacksonville by Conover Drug Co., and Shreve Drug Co., and by leading drug stores everywhere.—Adv.

STOCK EXCHANGE

HAS ACTIVE SESSION
By Associated Press.
NEW YORK, March 6.—Selling of the same promiscuous and professional character as that which accompanied Saturday's reaction on the stock exchange occurred again today during the first half of the session. The latter period witnessed a sharp rebound as the result of a judicial decision favoring one of the local utilities. The ruling of the United States supreme court declaring the Consolidated Gas company 80 cent rate compulsory imparted a buoyancy to that stock, which closed at a net gain of 7½ points. Brooklyn Union Gas advancing 11 points.

Other shares recovered the greater part of their severe reversals of the morning. The independent steels, motors, some of the foreign oils and numerous miscellaneous specialties were noteworthy exceptions. Sales amounted to 835,016 shares.

The liquidation of the morning was heightened by bearish sentiment created by market opinions spread broadcast by commission houses over the week-end. These referred to uncertain technical conditions and the failure of the public to respond to more favorable commercial and industrial developments.

Call loans opened and ruled at 4½ per cent until just before the finish when five per cent was demanded.

A firmer tone was shown by the leading foreign exchanges the time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

Liberty bonds closed at nominal gains and losses. Total sales par value, aggregated \$15,378,000.

BUYING DEMAND LIGHT IN BUTTER MARKET

By Associated Press.
CHICAGO, March 6.—Buying demand was light and butter market easy and unsettled today 92 score being hard to sell many dealers shading their prices a half cent. The lower scores were also hard to move and showed some accumulation. Fresh cars of centralized were slightly in demand, altho the accumulation was light. A few early sales were reported at 38-cents for 90 score, but later in the day cars of this grade offered at 35½ remained unsold. The storage cars were also easier and offered at slightly lower prices.

SUBSTANTIAL GAINS IN WHEAT MARKET

By Associated Press.
CHICAGO, March 6.—Export buying of United States wheat together with an unexpected advance of prices at Buenos Aires led to substantial gains here today in the value of wheat. The market closed strong, 1½ to 17c net higher with May \$1.43½ to \$1.43½ and July \$1.21½ to \$1.21½. Corn finished 1c to 1½c up, and oats ½c to 1c. There was a setback of 10 to 40c in provisions. The seaboard reported after the close that 750,000 bushels of wheat was worked for Europe today and that further inquiries were in the market. The bulk of the wheat taken for Europe was of the Durum variety grown in the United States and was destined for Italy. In addition an order from Greece for 2,500,000 bushels was expected to be filled tomorrow.

With such factors in the market word that Buenos Aires quotations were up 3c as compared with the opening gave decided impetus to confidence on the part of buyers here, especially as gossip was current that domestic milling demand had increased. A falling off in the United States visible supply total counted also as a bullish influence. Today's upturn in prices for wheat was preceded by violent downward signs from during the early transactions. The chief reasons given for the temporary weakness thus shown were lower quotations at Liverpool and a large increase of world shipments last week, the aggregate being the heaviest of the season.

Corn and oats were helped upward by a more active demand for corn and export and for shipment to New England.

Provisions declined in value with hogs. On the setbacks packers became buyers.

FILTRATION PLANT TO BE ENLARGED

City Council Prepares for Larger Water Supply—Will Furnish Water to South Jacksonville—Officers Reports Presented.

It was indicated at the meeting of the city council Monday night that South Jacksonville will be furnished water from the Jacksonville plant at rates slightly in advance of those charged residents of the city. The council also took steps for increasing the size of the filtration plant.

Mayor Crabtree, City Clerk Scott and all aldermen were present. A communication was read from the state department of public health making reference to investigation of the Jacksonville water supply and advocating an increase in equipment. The suggestion was also made that city water meters should be cleaned because of the muddy water that formerly passed thru them. Supt. Cobb reported that practically all meters had already been cleaned.

Filtration Plant Plan.

The water committee had consulted the H. L. Caldwell Engineering Co. with reference to increasing the size of the filtration plant, and report from this company was read indicating that the improvement will cost between \$12,000 and \$13,000. The water committee was instructed to proceed as rapidly as possible to make the improvement. Plans and specifications will be prepared and then a further report will be made to the council.

It was the instruction of the city council that hereafter all claims against the city shall be sworn to. The ordinance provides that such affidavits shall be made and that claims shall be filed at least 24 hours before they are acted upon.

Alderman Ehlers called attention to a blind alley in Andrews' subdivision near the brook, which is sometimes used as a dumping ground. Action will be taken to close this alley.

Alderman Loneragan said that it is the intention to have all ordinances relating to sidewalks, which it is expected to lay this year presented at the next meeting of the council.

Bond of T. H. Buckthorpe, who was awarded the city garbage contract was approved on motion of Alderman Rowe, with a second by Alderman Cain. The bond was signed by R. R. Buckthorpe.

South Jacksonville Rates.

Alderman Chapin for the water committee made a favorable report on the proposal to furnish water for South Jacksonville at rates 10 percent in excess of those charged in Jacksonville. The proposal is for hydrant rates running from \$55 to \$40 per year. Under the plan proposed, the people of South Jacksonville will pay mains and pay all construction expenses.

The city clerk read the notice of application of the Jacksonville Bus Line for a certificate of convenience and necessity. The application was signed by Otto M. Olsen. To give approval to the establishment of the route the city authorities must sign the agreement and this matter was referred to City Attorney Walter Bellati.

Attention was called to the fact that theatre owners and a number of other persons who pay licenses are lax in these payments. The police department was instructed to make collection promptly and to insist upon payment in advance in accordance with the city ordinance.

The ordinances for East State street paying from the railroad east of the city limits were given a second reading and adopted.

Reports of Officers.

The reports of officers were presented and approved. The report of John Pires, section of Jacksonville's cemetery, showed seven graves made during the month of February, and the report of H. H. Summers, section of Diamond Grove cemetery, showed fourteen graves made.

Jewell E. Scott reported the following collections: From city clerk's office, \$205.79; from Diamond Grove cemetery, \$502.10; from Jacksonville cemetery, \$101.50.

The report of A. B. Opperman, justice of the peace, showed a total fines collected of \$37; city costs \$6.19; J. P. costs \$2.40.

The report of Frank Kiloran, chief of police, showed total number of arrests for the month as 12, with fines aggregating \$43. The arrests were made for speeding, drunkenness, failure to dim auto lights and bootlegging.

W. H. Cobb water superintendent, showed a total receipts of \$4,563.45, of which amount \$4,434.75 was for water sold.

Dr. A. M. King, health warden, reported the total number of deaths at 42, of which number 14 were at Jacksonville State hospital. The range of ages was: 5 to 20, one; 20 to 50, twelve; 50 to 70, thirteen; over 70, fifteen. Contagious diseases reported were: Diphtheria 8, infantile paralysis, 2; scarlet fever, 5, erysipelas, 1.

The Filtration Plant.

March 4, 1922.

To the Honorable Mayor and City Council:

Gentlemen:

We have been giving a great deal of attention to the Operating Conditions of the City Filter Plant and we also have given a great deal of thought and study as to future requirements. We give you briefly some of the facts in connection herewith.

The three filter units were designed for a normal capacity of 500,000 gallons each per twenty-four hours. These units are now running on an average approximately 700,000 gallons each per twenty-four hours. The present coagulation basin has a retention period under the present rate of

approximately one hour and twenty-five minutes. The present mixing basin has a retention period of approximately four minutes under the present rate.

We are thoroughly convinced that the Filter Plant is delivering as good and uniform a quality of water at the present time as is possible to deliver under the circumstances existing at the present time. The filter units, after the proper sedimentation and coagulation was obtained, could operate on a fifty percent overload and still deliver a suitable product. Under the present situation, however, where we have neither the proper retention in the mixing chamber or coagulation basin the overloading of the filter units to that extent does not allow the delivering of the highest class product.

The present mixing basin does not serve to any purpose at the present time as a reaction chamber, owing to the fact that the water has to go through too quickly and instead of having four minutes time, as at present, it should have under the present capacity about forty minutes time. The fact that the coagulation and mixing basins are too small causes the use of approximately twenty-five per cent more alum than would be necessary if the proper sized mixing and coagulating basins were had.

In order to give an opinion as to what is needed, we have made several estimates for various sized units and additions which are as follows:

Double size of Coagulating Basin	\$ 5,975.00
Raw water recording weir	212.00
Filtered water recording meter	350.00
One million gallon filter unit	10,565.00
2—500,000 gallon filter units	11,930.00
1—700,000 gallon filter unit	8,245.00
1—500,000 gallon filter unit	5,900.00

In view of the fact that it is impossible to get the proper retention in the mixing chamber, we believe that the best method is to transform the present south half of the Coagulation Basin into a mixing chamber and to continue the use of the present areator for such capacity as it has. The mixing chamber would be baffled with oak baffles and such baffles would be put in vertically and on about two foot centers. The mixing chamber would give a retention period of approximately forty minutes and the water would then be in proper condition to go into the coagulation basin.

We then would recommend the building of another basin the same size as the present coagulation basin immediately on the east end thereof which basin would give a retention period approximately two hours and twenty minutes or about eighty percent more sedimentation capacity than we have at present.

We would further recommend the construction of the one 500,000 gallon filter unit immediately upon the east end of the present plant and over the present clear well. This would give the plant a normal rate of 2,050,000 gallons per twenty-four hours and with the amount of sedimentation that the plans under this recommendation would give, operating the plant on a fifty per cent overload, would give a total capacity of 3,075,000 gallons per twenty-four hours.

The estimated cost of the work which we would recommend is as follows:

Double size of Coagulating Basin	\$ 5,975.00
Raw water recording weir	212.00
Filtered water recording meter	350.00
One 500,000 gallon filter unit	5,900.00
Total	\$12,437.00

Respectfully submitted,
H. L. Caldwell, President,
From State Health Department,
March 3, 1922

Honorable Mayor and Council,
Jacksonville, Illinois.

In connection with some recent studies of the water supplies at the three State Institutions at Jacksonville we have given some consideration to the public water supply and understand that the filter plant is at the present time operating at higher than standard rate.

In order to reduce the load on the water purification plant it would be desirable to install additional units and also to plan systematic survey of meters and possible leaks in the distributive system.

You have no doubt, already given some consideration to the installation of additional units at the purification plant. Based on the present consumption rates and the fact that even a higher consumption will prevail during the warm weather we would recommend that an additional filter capacity of 1,000,000 gallons per day be added to the plant. This can be added to the plant in two units to conform to the existing unit, but we believe that it would be better and slightly cheaper to install a single 1,000,000 gallon unit.

Up to the time the purified water was turned into the mains the water supply pumped into the mains was sometimes of such quality as to interfere with the proper operation of water meters. Now that a clear water supply is assured it would be to the best interests of the city to obtain a reliable meter testing machine and plan a systematic test of all existing meters. Except under very exceptional conditions when a meter fails to register properly, it underregisters instead of overregisters and, therefore, the city at the present time may not be receiving compensation for the actual vol-

BOARD OF EDUCATION MET MONDAY NIGHT

Only Routine Business Transacted—Supt. Per in Shows Stereoscopic Views of Schools.

The board of education met in regular session Monday evening with all the members present except Dr. Duncan and A. C. Metcalf.

The session was taken up with routine work after which Superintendent Perrin made a report to the board of his attendance to the National Educational Association which recently met in Chicago.

Following this Mr. Perrin introduced a number of stereoscopic views showing many phases of the schools of the city at work and the results that were being obtained. Regarding the physical development of the children in the lower grades it was shown that since September, 1921, a gain in the general average of the weight of the children was noticeable in all the ward schools. Mr. Perrin stated that the statistics proved that children made more satisfactory development in school that during vacation period.

There was also some excellent views of the interior of the high school shown.

Following is the report of the superintendent for the month of February:

SCHOOLS WILL HAVE HOLIDAY FRIDAY

Jacksonville schools and many of the schools throughout the county will take a holiday next Friday and Saturday. The occasion is the convention of the South Central Division of the Illinois State Teachers association which meets in Springfield, March 10 and 11. Practically all the teachers of the city schools will attend the meeting and many of the teachers of the rural schools are planning to attend. A special fare of one and one-half rate is given by the railroads and this fact is attracting many to the convention.

An especially interesting program has been arranged for the teachers and several educators of note will address the convention.

Following are some well known educational people who will address the teachers:

H. A. Brown, Normal Oshkosh, Wis.
W. F. Monroe, University of Illinois.

May Hill, Ethical Culture school, New York City.
Richard Park Sutt, Sullivan county schools, Indiana.

Francis G. Blair, State Supt. of schools of Illinois.

EVERY BODY SAYS

And we promise that you'll say so, too—that "no more beautiful line of spring dresses, coats and suits, were ever shown in the city than we now have on display, nor lower priced. They simply are beautiful, and so delightfully made and trimmed." Do yourself the justice to come in, examine and try on. We make alterations. Don't forget our millinery department.

PENSIONS GRANTED BY GOVERNMENT

Congressman Shaw's Interest Has Resulted In Pension Money for Soldiers or Their Families In This District.

Washington, March 6.—Thomas W. Roodhouse, Pleasant Hill, thru the efforts of Congressman Guy L. Shaw, has been granted a pension of \$72 the month, and Mrs. Ada McGarvey of Havana, has been allowed compensation and insurance because of the death of a son, in the amount of \$1,082.74.

The case of Mr. Roodhouse is particularly interesting. He enlisted in the Eleventh Missouri Infantry in the Civil War but never asked for a pension until July 10, 1920, when his physical condition made it necessary that he have financial relief. Repeated efforts to obtain a pension failed until the matter was taken up by Congressman Shaw.

Mr. Shaw has secured pensions and compensation for others in the Twentieth Congressional district as follows:

Pensions—William DeLong, William Sorrells and Albert D. McQuinn, all of Roodhouse, each \$72 the month; Isaac Dyer, Pittsfield, \$15; Charles Trester, Virginia, \$72; Mrs. Emma Murdock, Havana, \$30; Mrs. Eliza Jane Diehl, \$30; Mrs. Annie E. Powell, Pasadena, California, formerly of Jerseyville, \$30; Almon Good, Virginia, \$12.

Compensation—Charles A. Godfrey, New Canton, \$53.60 the month; John H. Kendall, Winchester, \$9; Giff Haddall, Petersburg, \$90; Mrs. Florence Juett, Ripley, was reimbursed in the sum of \$57.

MINISTERS HEARD ADDRESSES AT I. W. C.

Interesting Session of Jacksonville Ministerial Association Held at Woman's College—Business Session Held.

The regular meeting of the local Ministerial association was held Monday morning at Illinois Woman's college, and a program of very special interest was presented. The opening address was by Miss Sarita Jones, a native of Chile, who told many interesting facts about educational conditions in her home country.

The next speaker was Miss Esmeralda de Guadalupe, Mexico. Miss Esparza, who has been a student at the college but a month, spoke in Spanish and her address was interpreted by Miss Jones. Miss Esparza told of the work which is being done in the public and mission schools of Mexico. Both of the young women were awarded missionary scholarships at the college and intend after completing their course there to return to their home countries as missionaries.

The final speaker of the morning was Dr. J. R. Harkey, who discussed "What I Know About Christianity in the Last Forty Years." The college president had much to say of real interest to the ministers, giving a brief but complete history of development along religious lines within the past four decades.

Following the formal program no visiting ministers were taken on a tour of inspection of the college. First they visited the gymnasium and attended class where young women are trained to become community play leaders. Another interesting exhibit was that at the swimming pool, where a number of students demonstrated their proficiency in the art of swimming.

Other departments visited were the dining room and kitchen, the secretarial department, the chemistry and physics laboratories. At noon the visitors were taken to the domestic science department where a splendid lunch was served by the students.

In the afternoon the regular business session was held. One of the main points considered was the vacation Bible school, and it was decided to hold a school here in June, all the Protestant churches of the city participating. The matter of supplying Sunday afternoon services at Oak Lawn sanatorium was also given attention, and a committee including Rev. T. H. Tull and Rev. M. L. Pontius was appointed to make the necessary arrangements.

It was decided to open a vigorous campaign against Sunday movies, and this campaign will be launched from the various pulpits next Sunday, March 12.
